

Gremlin

October 30, 1979

TO: PROJECT DEPARTMENT
ATTN: STEVEN J. FAY

In all the confusion of preparing for the AMOA Show, I'm sure that your jobs sometimes seemed thankless ones. I'm aware of the seemingly impossible number of tasks and the short periods of time that were provided to complete them. I am, therefore, especially appreciative of the fact that the equipment all left on time.

I would like to thank you and Scott for your extra efforts and the additional time you devoted to making our presence at AMOA an impressive one. Your contributions will form a large part of any success we enjoy at the Show.

GERALD L. HANSEN
Vice President - Engineering
